Something New in Peonies

Officinalis X Chinensis Hybrid

U. S. Department of Agriculture

Special mention American Peony Society Show, Des Moines, Iowa, 1924.

First year seedling recognition American Peony Society Show, Peoria, Illinois, 1927.

Rich deep red, large, bell-shaped, single with two rows of petals; carpels tipped red; stamens red at base, yellow tips. Heavy substance; keeps well as cut flowers. Blooms week before *Officinalis Rubra*. General effect is Japanese. Beautiful and entirely distinct. Growth strong and upright; medium height.

Good strong divisions taken from mature plants at \$15.00 each.

If you wish to secure a plant order at once as there are only a few in existence and they will go fast at this price.

Check, bank draft or money order with order, please.

My reference is Commercial Trust & Savings Bank of Joliet, Illinois.
